Cultural show by the GSE Team, followed by the multimedia presentation

Rtn Vinod Sobti gets his wedding anniversary gift from GSE Team Leader Rtn Kimiko Tomita and also bags the Punctuality Award

The GSE programme has no barriers in terms of language, geographical or political. Different communities in the world come together to understand each other, to lead the way for friendship, tolerance and peace. The diversity in our country provides any GSE visiting team a better exposure of traditional values and harmony.

The GSE Team members gave a cultural performance, followed by an impressive multimedia presentation about the Japanese culture. Japan is a leader not only in Technology & Industry but Agriculture & Fisheries as well.

The GSE Team is hosted by the Rotary families at different places and are exposed to the different cultures, hospitality & traditions, which brings about international peace, goodwill and understanding.

One of the GSE Team members was hosted a home stay by PP Rtn. J.L. Mahajan from our club,

whereas the Rotarians of other local clubs hosted the other team members. During the club meeting we could see Rtn J.L. Mahajan talking in Punjabi with his guest, who responded in Japanese and when there seemed to be a communication barrier, the Japanese team member summed it up with, "MazaaAa Gaya".

Rotary Club of Panchkula President Wg. Cdr. P. Prabhakar proposed the vote of thanks.

On 3rd March the GSE Team left for Shimla where they were to celebrate holi on 4th March at Kufri Resort with DG Dhian Chand. After spending two days at Ropar, the GSE Team is expected to be in Chandigarh from 8th to 10th March for the second phase of their visit to the 'City Beautiful', and there are Rotarians of the tricity waiting to provide them home stay.
