In our regular meeting on February 15, 2019 President Rtn Ashok Puri was busy with the 50th anniversary of passing out of Punjab Engineering College, which was being celebrated in Chandigarh in a grand function with all the batch mates coming from all over India. Secretary Rtn Salil Chopra too was not available. The meeting was presided by Vice President Rtn Sanjay Bhatia and assisted by Joint Secretary Rtn Nitin Kapur. The Chief Guest Ms Gauri Guha was formally introduced by IPP Rtn Dr Rita Kalra as a seasoned business leader who has succeeded internationally in both the business world, as well as in the fine arts over the last 40 years. Ms Gauri Guha has worked extensively in the fields of Administration in South Asia, South America, Europe and North America in government and diplomatic organizations such as Food Corporation of India, Indian Council for Cultural Relations, Indian High Commission in Guyana, and notable financial institutions as State Bank of India and Scotiabank in Canada. Receiving several awards from the Ontario Arts Council, Canada Council, Shastri Indo Canadian Institute, Dominion Institute of Passages to Canada, The Association of Women of India in Canada (AWIC) and many other organizations, she focused on enriching the cultural landscape in Canada and improving the immigrant experience.

Last year in our regular meeting on February 09, 2018 she talked about Change Management, which is a systematic approach to dealing with transformation of an organization's goals, processes or technologies.

Her presentation was impressive and assertive to deal with most common but least addressed issue in our lives. Here are some useful tips to manage your stress.

1. Identify the source of stress.
2. Practice 4 A’s of stress management (Avoid, Alter, Adapt and Accept).
4. Get connected with others.
5. Have some fun and relaxation daily (schedule some Me Time, have sense of humour, learn some relaxation techniques).
6. Manage your time effectively by prioritizing, delegating and breaking big project to some small steps.
7. Have healthy lifestyle Habits. eat real balanced nutritious food, reduce caffeine and sugar, avoid alcohol, drugs and cigarettes, sleep 8 to 10 hours).
8. Learn quick stress release through deep breathing and focusing on senses.

Now that you have so many useful tips, experiment and figure out what works best for you. Stress Management is absolutely essential. Nothing is more important than peaceful mind and healthy body.
