Mr. V.P. Sharma

In our weekly meeting on March 13, 2020 rich tributes were paid to Late Mr. V.P. Sharma, our Office Secretary who had served our Club very dedicatedly for so many years. We are deeply grieved at his sad and sudden demise on March 10, 2020.

President Salil Dev Singh Bali was talking to him since morning of 13th March, discussing various Rotary matters. He was very shocked when he got the sad news in the evening. He said as a new Rotarian, Salil was greatly inspired by Mr. Sharma.

When Salil took over as President of our Club he had been visiting him very often and learnt a lot from him about Rotary as he was taking full care of all our Club affairs. The whole family was in a state of shock and his son Anup said that his father was taking all the responsibilities of the family as well. So in addition to being a family man he was totally dedicated to the Club too, taking all the responsibilities of the activities from the Club to District to RI level. Till his very last moments he was doing Rotary work, collecting dues from the members.

President Salil thought that the bulletin could be distributed because the envelopes were prepared by him. However, Sharma ji had not only typed all the envelopes, but had handed over these a day before he passed away, to Vinod who takes care of distribution of the bulletins.

Our senior most Past President B.L. Ramisaria said we all had very good experience with V.P. Sharma. He was very particular about accounts and everything and she expressed learning many things from him. He was very particular about accounts.

As a mark of respect for Mr. V.P. Sharma, two minutes silence was observed.
