An Evening of Classical Music

won the National Talent Scholarship for Music, instituted by the Ministry of Human Resources Development, Department of Culture, Govt. of India. Married into a prominent Delhi family, also steeped in music and learning, she was encouraged to continue her dedication to music. It is indeed providential that her husband and both her children are also deeply involved in music. She had the blessings of the renowned musicologist and Vaggeykar, the late Acharya K.C. Brahaspati, and has over the years continued to receive guidance from his wife, the internationally renowned

Music, say the wise, rejuvenates the soul and refreshes the mind. Going by the reaction of the attendees, it certainly seemed so. Last Friday's meeting was dedicated to music performed by an extremely versatile vocal musician Mrs. Vinita Gupta, a student of Dr. Madhurima Kishore - a disciple of Late Pandit Amar Nath of Kirana Gharana.

She was introduced to the attendees by Rtn. Cdr. Amarjit Singh Nagra. Born in 1963, Vinita belongs to the cultured Sahgal family of intellectuals and teachers, where music has always been much appreciated. While at school, at the age of 13, she

Smt. Sulochana Brahaspati, who is also her Guru's sister.

Vinita received several awards and gold medals for her excellence in music and academics during her school and college years. She topped her post graduation in music from the Panjab University and went on to complete her M.Phil with distinction from the Faculty of Music, Delhi University.

She has sung at various college competitions and youth festivals and the prestigious Harivallabh Sangeet Sammelan, Jalandhar. From the age of 16, she has sung regularly on the All India Radio and has to her credit a few Doordarshan performances as well.

She began her recital with an invocation to the "elephant headed" Lord Ganesha, the "vighna nashak", the destroyer of obstacles. It was so versatile a rendition that even the click of cutlery

died down swiftly.

The choice of the main rendition was absolutely classical, but performed in quick taal to keep the audience's foot tapping. It was imaginative and caught the attention of the audience. She too enjoyed the performance, as was evident from the happy eyes she cast on the accompanist on the tabla, Mr. Gautam Dhar.

Though she had planned to conclude her concert with a bhajan in raag bhairavi, she had to conclude it on popular demand with a "sufi kalaam" also in "raag bhairavi".

We also had the presence of few Guest Rotarians from the Rotary Club of Cobourg, Ontario, Canada. Pres. Saroj Jhawar exchanged our Club Flag with Rtn. Shirley from that Club. PP Indrajeet Sengupta proposed the formal vote of thanks and presented the guest singer with a memento on behalf of the club.

Corrigendum

In the last issue (no. 19) of The Midtowner, the caption under the photograph on the first page was erroneously printed as "IPDG Shaju giving away the award to one of the recipients"

The correct caption is "PDG Yoginder Diwan giving away the award to one of the recipients".

The error is deeply regretted.

In Brief

Pres. Saroj Jhawar alongwith staff members & children of Sikhya School

- As part of the SODIS (Solar Water Disinfection) Project undertaken by our Club (reported earlier in Midtowner Issue No. 13), a number of such special bottles were distributed among the children of Sikhya School, Sector 46, Chandigarh. As already reported, these throwaway plastic soft drink bottles, black ended from outside are kept in the sun shine so as to disinfect water to be used for drinking purposes by the small children. In this process, ultraviolet rays in the solar radiation and heat destroy the bacteria which cause common water-borne diseases like cholera, typhoid, dysentery and diarrhoea.
