The President also welcomed Cyclist Rase Rajan from Salem City (Tamilnadu), Mr. Ravi Singh from South Africa accompanied by Mr. Baljit Singh, Jaswinder Singh and Anand Singh.

Rtn. Dr. Sanjay Kalra

Rtn. Dr. Sanjay Kalra gave an elaborate and colourful presentation, sharing the amazing stories and magical experience of our RFE team during the 5 days visit to Ahmedabad (Gujarat), the land of vibrant history and national heritage, a rapidly growing metropolis, which is an industrial hub, an educational hotspot, a city with magnificent past, one of the most important cities in Gujarat and one of the largest cities of India.

The link for Live streaming / coverage of the presentation on facebook is <https://www.facebook.com/drvjs.vohra/videos/10215242340756808/> & <https://www.facebook.com/drvjs.vohra/videos/10215242848049490/>.

The RFE program gives Rotarians the opportunity to host and visit Rotarians around the world. It is a friendly exchange program.

The current RI theme, 'Rotary Connects the World', inspired our Club to be innovative and be ready to serve our communities and beyond. In view of this, our RFE team visited Rotary Club of Ahmedabad Metro in October 2019 for one of the most memorable experience of team members.

Day 01 - The traditional Gujarati homemade pot luck dinner by all the host families at Surthi Residence on arrival was a welcoming fellowship in true Rotary Spirit. It was an ice breaker to know each other especially the visiting as well as hosting families. The magic of Rotary turned the smiles into laughter as if they were friends forever.

Day 02 - Started with early morning heritage walk to lanes as old as 2000 years and as young as 600 years. The Rani ki vav step wells technology, that stored water for months of draught while maintaining ground water like Rain water harvesting of present times, was amazing. After learning experience visit to Gandhi Ashram, Navjeevan Book Trust served special lunch on request by RFE Chair 3054 PP Mehul Rathod. It was a delightful food street experience at Manik Chowk, which bubbles with activity 10 p.m. onwards till 3 a.m. Ashrafi kulfi could not to be missed after the hot and spicy delicacies, as it was a coolant to stomach.

Day 03 - Visit to Calico museum one of its kind to trace history of textiles in India. Built by Sarabhai Group and beautifully maintained allows entry to 20 visitors only every day. The visit to vintage car museum, perhaps the biggest collection of the world, was an enthralling experience. Evening was Garbha nite celebrations by host Club President Dr Sanjeev and Secretary Rijuta. Dandiya by our RFE team was followed by Gidda and Bhangra by host Club, which was an ideal cultural exchange performance which lasted till midnight. The abundance of food stalls, the ethnic décor, the colourful ambience and the traditional puja was very enjoyable.

Day 04 - Visit to Sarkhej Roza took us back into history more than 1000 years ago and managed by Rotarian who is President of the foundation. The water cooler with filter was jointly sponsored by the

RFE teams of Ahmedabad and Chandigarh Midtown. The project visit to Medical camp was organized at a village adopted by Ahmedabad Metro where happy school and WinS project are under progress. Dr. Sanjay Kalra also conducted one day VTT seminar for Dentists of Ahmedabad.

Shopping was another interesting part of the visit as our members went around several outlets of textiles, handicrafts and handloom. It was an experience of Gujarati village, museum of countless utensils, folk music, dance and traditional organic food.

Our RFE team thanked the Rotarians of the host Club for memorable moments and tremendous hospitality and bid them goodbye, with a promise to meet soon at Chandigarh.

District RFE Chair Dr. Sanjay Kalra informed that our Club and District welcomes Rotary friendship teams across continents to North India. Please connect with our Rotary Friendship Exchange page @ www.rid3080.org.
