Dear Fellow Rotarians,

RI President Rtn. Gordon McInally has given this year's theme "CREATE HOPE IN THE WORLD", which will inspire all Rotarians to come forward and participate in the fellowship and the projects. It is my proud privilege to create hope during the Rotary Year 2023-24.

Rotary Chandigarh Midtown is one of the most vibrant clubs of our District, having a blend of experienced and young Rotarians, who are already creating hope, not only in Rotary, but in their profession and business as well. Since last over 118 years on every 1st July the Rotary Wheel has been taking turns, with a new theme and new challenges in its global set up.

Laughter is the best medicine and it does not cost anything. Together we shall create hope to bring laughter in the lives of the less privileged, persons with disability and the needy persons to make them healthy and happy to lead a life of dignity and pride. Emphasis will be on our on-going projects and also the new ones, to take our club forward to achieve greater heights.

Kadam and myself look forward to a meaningful, exciting and an eventful year with Rotarians of Chandigarh Midtown, who always smilingly come forward with their support and contributions. Together we can and we will create hope in this world.

Rtn Jeeten Bhabri and R'Ann Kadam

In the valedictory ceremony Dr Sanjay Kalra gave an impressive report for his year as President 2022-23, highlighting the achievements of the club, having done 415 wonderful projects during the year, for which there was a loud applause from all present.

PP Rtn Salil Bali is a qualified Chemical engineer with Masters in Law and practising in High Court of Punjab & Haryana at Chandigarh as an Advocate. He is also an admitted Solicitor with Supreme Court of England & Wales. He's a Major Donor Level One and his entire family is PHF. A Live wire in Community

Service, he is popularly known in the Rotary World for conceiving and regularly executing Project Sahyog.

Q. When did you join Rotary?

A. I was fortunate to be selected as Team member in 2009 for GSE exchange program. On return, I was invited for a talk and inducted as a member by then President Rtn Gurdip Singh Deep. The exposure and personal gains reaped motivated me to join Rotary and serve.

Q. What were your Projects as President?

Being a big club, my primary target was to maximise TRF collection and with the generosity of Midtowners we breached the \$ 36000 mark for the first time in the history of the club. Unfortunately in March 2020 Pandemic entered our lives. Our Club converted this adversity into opportunity of serving people and rest is history. A 2N/3D residential RYLA Vishesh for disabled Youth was held which was first of its kind.

Q. What are the Star Projects undertaken as Rotarian?

A. I along with 2 Rotarians from USA were part of executing team for Solar Electrification of remote villages in difficult terrains of Leh & Ladakh under a Global Grant. [Click here](https://www.facebook.com/salil.bali.3/videos/10156375471971544/?mibextid=RS40aB7S9Ucb) to watch on Facebook.

Project Sahyog was conceived in August 2021 and till date we have provided artificial limbs to more than 300 handicapped patients with the help of PP Dr VJS Vohra at Nevedac Prosthetic Clinic.

Q. Awards Received?

Though in line of service awards don't matter but Rotary has been generous enough to honour me with Best Rotarian of District (2021-22) and Club (2013), Best President of District, Best Club in District, Best TB Work trophy (All 2019) Four avenues of service award (twice 2020 and 2021).

Q. What is your message to fellow Rotarians?

A. Nothing is impossible.
 आसान जो है उस की चाहत नहीं
 ज़िद उस की है जो मुकद्दर में नहीं
 "DS Bali "दामन"

Good wishes to you to continue your dedicated efforts to create hope in the World.

- Respect is love in plain clothes.
- Mistakes are always forgivable, if one has the courage to admit them.
- It has always been easy to hate and destroy. To build and to cherish is much more difficult.
