Vocation Awards & Republic Day Celebrations with Dr. Subhash Garg - President Rotary Kurukshetra

Dr. Subhash Chander Garg, a native of Ludhiana, has established himself as a distinguished figure in the medical fraternity. After completing his graduate studies from the prestigious Pandit Bhagwat Dayal Sharma Post Graduate Institute of Medical Sciences (PGIMS) in Rohtak, he furthered his expertise by pursuing a postgraduate degree in medicine from the Postgraduate Institute of Medical Education and Research (PGIMER) in Chandigarh.

With a medical career spanning four decades, Dr. Garg has devoted his life to the healthcare sector, demonstrating exceptional skill and compassion in his practice. His extensive experience and knowledge have made him a respected and well-known figure in the medical community.

Dr. Garg is married to Dr. Bindoo Garg, a skilled dental surgeon. Together, they have formed a formidable team, not only in their respective professional fields but also in their shared commitment to serving the community. The couple's dedication to philanthropy is evident through their active involvement with the Rotary Club of Kurukshetra. For the past 20 years, Dr. Garg has been a vital member of this club, and he currently holds the esteemed position of President. Under his leadership, the club has undertaken numerous initiatives aimed at improving the lives of the less fortunate and addressing various social issues.

Apart from his medical and philanthropic work, Dr. Garg is also passionately involved in literary pursuits. He is an accomplished poet, writer, and author, contributing significantly to the world of literature. His talents extend to various literary activities, and he has authored several books that reflect his depth of thought and creativity. Dr. Garg's poetry has graced the pages of renowned national magazines like 'Hans' and 'Sarita', where his work has been widely appreciated. His writings not only showcase his literary prowess but also offer insights into his profound understanding of human emotions and the world around him. Dr. Subhash Chander Garg is a multifaceted personality - a dedicated doctor, a committed philanthropist, and a gifted author and poet. His contributions to medicine, society, and literature have been invaluable, making him a true asset to his community and an inspiration to many.

Republic Day Celebrations - A Day of Honor and Cultural Richness with Rotary Chandigarh Midtown In a remarkable celebration of Republic Day, our Rotary Club stepped beyond the ordinary with a unique felicitation ceremony. We honoured the unsung heroes among us - five extraordinary individuals from government departments who have shown exceptional dedication and service beyond their call of duty. Their inspiring stories, read out by fellow Rotarians, reminded us all of the power of commitment and the impact of individual actions on our community.

The event, expertly coordinated by PP RK Luther, was a tapestry of cultural and artistic expressions. The invocation on Lord Rama by Rtn Suresh Dhawan and Madhu ji was a melodious start, touching our hearts and setting a tone of reverence and celebration. President Rtn. Jeeten Bhambri welcomed the guest and awardees and shared the club projects during the week.

Our Chief Guest, Pres Rtn Dr. Subhash Garg, a renowned poet, writer, author, and medical specialist, was introduced by Rtn Dr Rita Kalra. He captivated us with his beautiful and thought-provoking poetry. Covering various 'Rasas' or themes, his words resonated with the 50-plus audience, leaving us all enthralled.

The spirit of patriotism was further elevated by musical performances. Aahan and Samridhi, the talented grandson and daughter of Rtn SK Dhawan, sang a beautiful patriotic song, instilling a sense of pride and joy in all of us. IPP Dr. Sanjay Kalra's nostalgic number on patriotism was a reminder of our rich heritage and the sacrifices made for our nation.

A special moment was the felicitation of our cricket team by the District Governor, recognizing their participation and spirit in the cricket tournament.

In a significant acknowledgment, Mr. Lalit Jawa received the prestigious PHF recognition for his generous contribution to the Rotary Foundation, embodying the essence of giving and community service. As IPP Dr. Sanjay Kalra expressed our collective gratitude in the vote of thanks, we were reminded of the strength and unity within our Rotary community.

The event concluded with delightful refreshments, where fellowship and stories were shared, strengthening the bonds within our Rotary family. Today, we celebrated not just the Republic Day of our nation but also the spirit of service, culture, and community that defines us as Rotarians. Proud to be part of this incredible journey!

Jeeten Bhambri had an interactive session with the students, and he motivated the students to come out of their comfort zones and do worthwhile activities for the community. 25 Rotractors from Panjab University were inducted in the club, and the office bearers were pinned by the Rotarians.

History of the Rotary Bell

In 1922, U.S. Rotarians organised an attendance contest; the challenge was that the losing clubs would join in giving the winning club a prize. The Rotary Club of New York City was declared the winner and to them was awarded as a prize a bell from a popular patrol boat, which was placed on wood that came from HMS "Victory", Admiral Nelson's vessel at the battle of Trafalgar. Since then, the bell used in Rotary meetings started to represent, as on the ships, order, discipline and the time to guide us through the weekly hour and a half meetings. The bell informs us with its sound the beginning of the Rotary meeting, other club rituals and of course the closure of the regular club meeting. #Rotary #RotaryBell #

In the happiness of Ram Mandir don't forget to thank him. He is 92 years old SC lawyer K. Parasaran. He had argued the Ram Janm Bhoomi case barefoot, standing for 4.5 hours at 90+ age.

When judge requested him to take seat & continue argument He said I have argued standing for all my clients till date. Today Lord himself is my client, how can I sit & argue? He didn't wear the footwear for 4.5 hours while arguing on behalf of Ram.

A Swedish citizen waiting for the train to return home immediately after leaving work. She has bought a Burger for her Dinner. This is her picture after being asked to pose for a photo. The name of this citizen is Elva Johansson and her job is Minister of Labor in Sweden. She has no caravan of cars, she has no line of guards. She doesn't even have helpers. Sweden is a rich, developed country, but they show great discipline in the use of public funds! Developing countries can learn from this Lady the use of taxpayers money...

A'nn Sunita Rani is wife of PP Rtn. Amarjit Singh. She is not only a home maker but has always supported her husband in business and Rotary. She did her Diploma in Computer Application after her marriage and started supporting her husband in his IT business. In 2006, she floated a new company RAVHAR (INDIA) which is providing IT services to more than 1000 clients. She has actively participated in Rotary projects.

A'nn Sunita Rani

Q. Which of the Rotary projects have you been involved and which are your favourite projects?

A. I have participated in a number of projects like Annapurna, Swacch Bharat Abhiyaan, Adult Education and vocational services. However, Sewing and Tailoring Centre is very close to my heart.

Q. How did you support your husband when he was the President of the Club?

A. My husband PP Amarjit Singh joined Rotary in 2008 and was given the responsibility of leading the club in RY 2016-17. As the First Lady of the club, I actively participated in all weekly meetings. I collected the contact numbers of all spouses and R'Anns for Club Roaster. I managed the computerised club accounts and celebrated Diwali through potluck dinner. Attending the RI Convention is my husband's passion and he led the largest contingent of 16 members to Atlanta RI Convention during his tenure. It was a very successful and satisfying year.

Q. What do you think of Rotary as the social service platform?

A. The four way test of Rotary is a testimony of this international organisation to serve the society specially the underprivileged and needy to create hope in their lives.

Wish you continue to serve society through Rotary

Tenterden Rotary Club's Continued Support for Turkey: Aquabox Aid Shipment for Earthquake Victims

Nearly a year has passed since Turkey endured a powerful earthquake that left many families and orphans without adequate shelter or safe water supplies. Despite the passage of time, numerous individuals remain displaced, unable to return to their homes, either still homeless or residing in temporary camps. The aftermath of subsequent earthquakes has only exacerbated the challenges faced by these communities.

In response to this ongoing crisis, the Tenterden Rotary Club has once again demonstrated its commitment to humanitarian efforts. Recently, the club organized a fundraising event to support Aquabox in doubling the number of filters sent to provide further assistance to the affected regions in Turkey.

Collaboration for Impact:

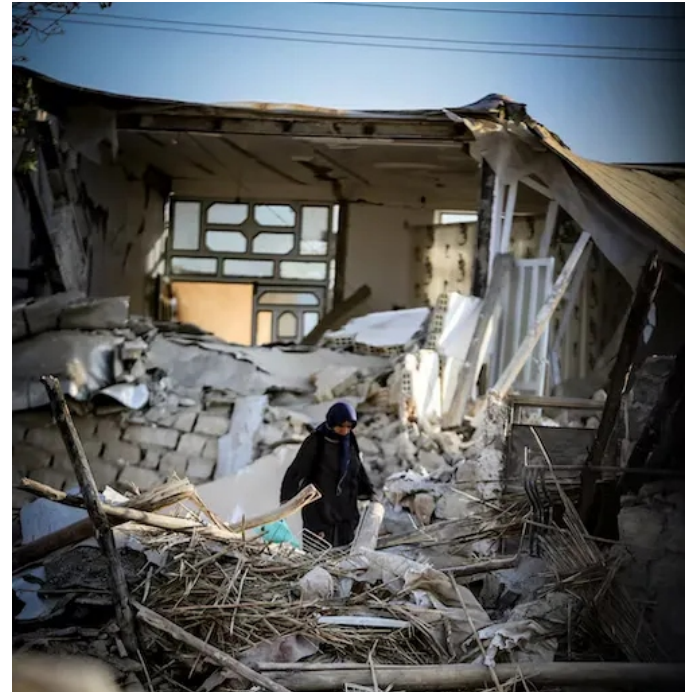

Collaborating closely with Operation Orphan, an aid partner founded by Brad and Caryl Moore, the Tenterden Rotary Club facilitated the collection of 150 Aquabox family filters from the Aquabox depot in Cromford on January 15th. These filters, generously collected by Brad Moore, are set to depart from Operation Orphan's base in Nottingham on January 26th, bound for Hattay province.

Roger Cassidy, Chairman of Aquabox, standing alongside Brad Moore from Operation Orphan, expressed gratitude for this collaborative effort. Cassidy emphasized the significance of these family filters, highlighting that each unit can meet the daily water needs of up to 10 people and can continue to provide clean water for months if not years.

A Steadfast Commitment:

This marks the third shipment of aid to the affected area orchestrated by Aquabox. Recognizing the scale of the disaster and the persistent needs of the impacted communities, both organizations anticipate that additional shipments will be necessary. As they embark on this mission, they extend heartfelt appreciation for any donations received, emphasizing the collective effort required to address the ongoing challenges faced by those affected by the earthquakes.

Tenterden Rotary Club's fundraising initiative and collaboration with Aquabox and Operation Orphan exemplify the power of collective action in responding to ongoing humanitarian crises. As the aid shipment prepares to leave for Hattay province, it serves as a symbol of hope for the families and orphans in Turkey still grappling with the aftermath of the earthquakes. The Tenterden Rotary Club's steadfast commitment to making a positive impact echoes Rotary's core values of service and fellowship, demonstrating the profound change that can be achieved when communities come together in times of need.
