REMINISCENCES (YAADEIN) - DR. VISHWAS MEHTA IAS

The weekly meeting of Rotary Club Chandigarh Midtown was called to order by Sergeant-at-Arms PP Prem Anand. The proceedings began with the National Anthem, led by R'Ann Indu Anand and Ranjana Tulsi, followed by an evocative invocation by R'Ann Jyotie Sabharwal. Drawing a beautiful parallel between life's struggles and the spirit of fellowship, she likened the sand to struggle and the shore to fellowship, praying that the sand would remind us to remain humble and the shore inspire us to remain hopeful.

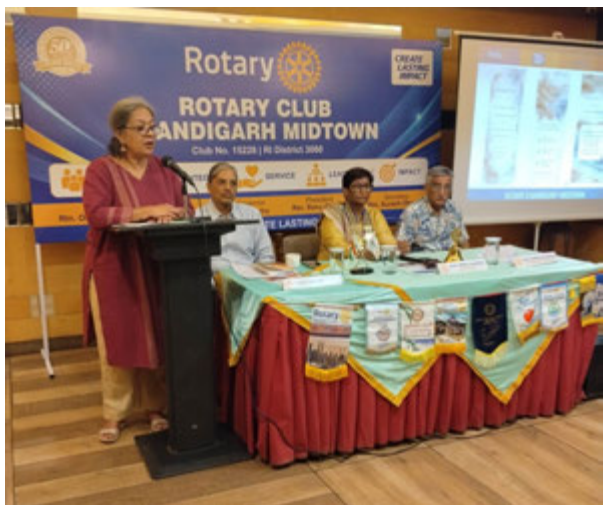

President Rtn. Renu Chopra presented the highlights of the week and reflected on how perspectives differ across India, from the sands of Rajasthan to the shores of Kerala. She emphasised that Rotary serves communities across these diverse landscapes, providing water in arid regions and constructing check dams in coastal areas.

The President congratulated Rtn. B. L. Ramsisaria on his generous contribution of USD 5,000 to The Rotary Foundation and his recognition as a Major Donor Level 1. Rtn. Dr. Sanjay Kalra was congratulated on being recognised as a Major Donor Level 2, while Rtn. Salil Chopra was acknowledged by Rotary International for his contributions across all avenues of service. Rtn. Jeeten Bhambri, Rtn. Ashok Puri, Rtn. Salil Chopra and Rtn. Amarjeet were felicitated as pledged members of the Paul Harris Society. Special appreciation was extended to Rtn. Amarjeet for his efforts in raising a Global Grant of USD 46,800 and to PP Dr. Balram Gupta for his stellar role in installing the Rotaract Club of the School of Law, NMIMS Chandigarh Campus.

The guest speaker, Dr. Vishwas Mehta, was introduced by Rtn. Dr. I. S. Dua, Director, Club Service. Drawing from his book Sands to Shores, Dr. Mehta took members on a fascinating journey from Dungarpur, Rajasthan, through Chandigarh, to Kerala. Dedicated to his grandmother, who was widowed at 26 and single-handedly raised her two-year-old son, and to his father, the book captures the experiences and lessons that shaped his life. Uniquely, Dr. Mehta reflects on his own journey through the eyes of a third person, offering profound insights into personal growth, professional experiences and human relationships.

Rtn. Pradeep Sisodia proposed the vote of thanks. Dr. Mehta was presented with a Golden Jubilee pin by Dr. B. C. Gupta and a sapling as a token of appreciation. The birthday of R'Ann Surinder Chandoak and the wedding anniversary of PP Prem Anand and R'Ann Indu Anand were celebrated warmly. Col. (Retd.) J. S. Chandoak won the lucky dip, and the meeting concluded on a cheerful note with fellowship.

The spirit of youth leadership, service and empowerment was celebrated with the graceful installation of the 21st Rotaract Club at Dev Samaj College, Sector 45-B, Chandigarh.

A highlight of the occasion was the release of "Saksham," a meaningful poster symbolising the strength, energy and potential of girl students. Adding a creative touch, the Club Secretary recited a beautiful self-composed poem inspired by the ideals of Rotary.

The installation marked a promising new beginning, inspiring young leaders to embrace the spirit of Service Above Self and make a meaningful difference in society.

ROTARY CLUB CHANDIGARH MIDTOWN ORGANIZES TWO-DAY DENTAL CAMP AT KUNDAN INTERNATIONAL SCHOOL

Rotary Club Chandigarh Midtown, in association with Clove Dental Clinic, organised a two-day Dental Camp at Kundan International School, Chandigarh, commencing on 21 September 2026, with the objective of promoting oral health and hygiene among school children.

Over the two days, approximately 750 students underwent dental check-ups by a team of dental professionals from Clove Dental. The doctors also interacted with the students, sensitising them about the importance of oral hygiene, correct brushing techniques, regular dental check-ups and the development of healthy dental habits from an early age.

Students found to have cavities or other dental concerns were advised to consult a dentist for further evaluation and appropriate treatment. The initiative focussed on early identification of dental problems and creating awareness about preventive oral healthcare among young learners.

The camp was supported by Rtn. Renu Chopra, President; Rtn. IPP J. S. Bawa; Dr. Shashi Jain, Director, Youth Services; Maneesha Gupta, Director, Community Service; and R'Ann Nandita Sisodia, who actively contributed to the successful conduct of the initiative.

The Club places on record its sincere appreciation for the dedicated efforts of Dr. Shashi Jain in coordinating and managing the camp, as well as the Clove Dental team for their valuable services.

This meaningful initiative reflects Rotary Club Chandigarh Midtown's continued commitment to community welfare and preventive healthcare, helping children develop lifelong habits that contribute to healthier smiles and overall well-being.

The simple story carried a powerful message: nothing worthwhile comes automatically in life. Whether it is education, success, financial independence or a better future, one has to work for it. The children were encouraged to develop the habit of working hard, learning continuously and taking responsibility for their own future.

The programme concluded with smiles, interaction and a renewed sense of connection.

ROTARY CLUB CHANDIGARH MIDTOWN SUPPORTS TB PATIENTS ON NIKSHAY DIVAS

On the occasion of Nikshay Divas, Rotary Club Chandigarh Midtown reaffirmed its commitment to the fight against tuberculosis (TB) by extending nutritional support to patients at Government Dispensary, Sector 16, Panchkula.

As part of this compassionate initiative, nutritional support kits were distributed to 39 TB patients, while an additional 11 packets were handed over to the dispensary for further distribution among patients in need. The initiative reflected Rotary's continued dedication to improving community health and supporting individuals on their journey towards recovery.

Recognising that the fight against TB extends beyond medical treatment, the project highlighted the vital role of proper nutrition, emotional support and compassionate care in helping patients regain their health and confidence. By reaching out to those affected, the Club sought to remind them that they are not alone in their battle against the disease.

The initiative was supported by President Rtn. Renu Chopra, Rtn. Prem Anand, Secretary Rtn. Suresh Dhawan, Joint Secretary Brig. Dr. J. S. Sabharwal, and R'Ann Jyotie Sabharwal, whose presence and commitment strengthened the spirit of service behind the project.

Rotary Club Chandigarh Midtown expressed its gratitude to all members who contributed their valuable time and support to make the initiative meaningful.

Through such sustained efforts, the Club continues to uphold Rotary's ideals of service above self, fostering hope, dignity and well-being while working towards a healthier, TB-free community.
