UTILITY, CAPABILITY AND ACCEPTABILITY OF ACCOUNTING SOFTWARE

The Guest speaker for the club meeting on Friday, February 09, 2007 was Mr. Prosenjit Sengupta, who was introduced by Secy. Rtn. R.K. Luther.

Mr. Sengupta is a Post Graduate in

Financial Management and also Post Graduate in Marketing Management, having 19 years of working experience in various industries, out of which he has spent 14 years in IT industry. Prosenjit has worked with leading organizations like Tata Infotech Ltd. & Pentasoft Technology Ltd. at senior positions and currently he is Deputy General Manager of Tally India Pvt Ltd., based in Chandigarh. He gave a detailed power point presentation on the utility & acceptability of the accounting software.

Business Accounting software, is designed to automate and integrate all your business operations such as sales, finance, purchase, inventory and manufacturing. With Tally 9, accurate, up-to-date business information is literally at your fingertips. You can maintain accounts in any of the major Indian language, view it in another and print it in yet another language of your choice.... with greater speed and power than ever before ! Now you can transact business across the length and breadth of India (and other countries too) in any language, without barriers.

Quick Decision Making- Generates real-time, comprehensive MIS reports and ensures access to complete and critical information, instantly.

Performance Management- Provides live **key ratios** and operating figures, for monitoring performance and aids in critical decision-making.

Dynamic Query & Drill Down Reporting - Summarises information for management and allows drill down into details and queries.

Comparison of Data with Multi-columnar Reports - Compares data for multiple locations on the same screen, in a columnar format.

Better Planning/Forecasting - Provides 'smart information', using sophisticated analytical tools, helping you forecast and examine possible scenarios. It also allows you to view provisional reports. Built using a path-breaking technology, which is also highly secure, Tally 9 makes sure that your critical financial information is accurate, controlled and safe from data corruption. Tally data is protected even from sudden power outages or system shutdown.

Unique features for better Statutory Compliance:

Value Added Tax

- Simplifies every aspect of VAT.
- Tracks VAT transactions to state-specific VAT classification with inbuilt rates of taxes.
- Generates VAT computation for the desired period, along with Input VAT details, Output VAT details and net VAT payable amount.
- Helps you file regular VAT/Composite Returns for a given period.

Service Tax

- Pre-defines Service Tax categories/rates and the applicability of these rates from a given date.
- Tracks Input Tax Credit and adjusts it against Service Tax payable.
- Provides information on net payable.
- Generates half-yearly Returns, annual Returns and TR-6 Challans...at the blink of an eye.

TDS

- Allows you to configure TDS ledgers by specifying the nature of payment and assessee types, along with the rate of TDS.
- Determines user-defined expense/payment type with user-defined rates.
- Auto-deduction of TDS, based on pre-defined rates once the transaction exceeds the threshold limit.
- Generates Challans and Form-16A Certificates.
- Generates quarterly and annual returns.
- Generates e-TDS files in NSDL compatible formats.

Mr. Prosenjit Sengupta presents birthday gift to Rtn Ravi Tulsi

Excise for Traders

- Generates Excise Invoices for Traders.
- Tracks Purchase invoice during sales, with the ability to pass on Cenvat Credit.
- Generates Quarterly Returns (Form 2)
- Maintains Excise Stock Register (RG 23D).

It is a complete business software, simple to use, yet powerful & easily available. For the last 20 years, Tally Solutions has constantly endeavored to develop cutting-edge technology products that have practical relevance to businesses. New features, new products, new services, new technologies, and above all, the 'Power of Simplicity' have made Tally Solutions one of the leading financial accounting software companies in the world.

With a suggestion that 'Tally 10' sounds better, Rtn. Atul Grover gave vote of thanks for the impressive & informative presentation by Mr. Prosenjit Sengupta.

Short Term Youth Exchange

Our District has completed one full programme in 2005-2006 of "Short Term Youth Exchange" with RID-1870, Germany. Groups of youths from Germany & India have thoroughly enjoyed their stay in respective countries. It has given them a very wide exposure to each other's culture. Both the groups have given good reports.

Now we are in the second version of the programme. We have received a list of 6 youth from Germany (Distt. 1870) who are interested to come to India for "Short Term Youth Exchange Programme (3-4 weeks)".

The programme is on reciprocal basis. That means the family which hosts the youth will have chance to send their children to Germany for the same duration. The international travel is taken care of by the respective youth. The boarding, lodging, food & local travel is taken care by the respective families.

The programme is open to children of Rotarians & others in the age group of 16 - 22 years. The Indian Youth can travel to Germany in May/June 2007 or any other convenient time but in 1 or 2 groups. The German Youth are planning to travel to India in June/July 2007 or later in 1 or 2 groups.

The application forms for "Short Term Youth Exchange Programme" are available with PP Rtn. NS Aulakh at the following address, where 5 copies of completed forms are to be submitted immediately, for forwarding it to the German Rotary Distt. 1870. For any further details or clarifications please contact:
