Believing in our Rotary Foundation

Dear family of Rotary,

February, our organization's anniversary month, is a great time to renew our commitment to The Rotary Foundation and its outstanding programs.

During the recent International Assembly in San Diego, 532 District Governors-Elect received the training needed to perform their duties and provide positive leadership. Several speakers closely associated with Foundation programs, constituted a shining example of its potential to carry out important projects for the benefit of thousands.

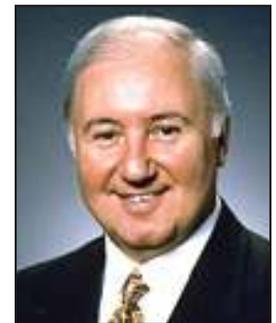

One of the speakers was Francesca Giovannini from Italy, who studied at the Rotary Center at the University of Bradford in England and worked for a long time in Lebanon on peace initiatives. She told the assembly that her two years as a Rotary World Peace Fellow led her to this "profound conviction".

Peace, without understanding, cannot be achieved. Peace without educating minds and hearts becomes a mere dream. Helping people to grow as human beings and peace operators will benefit the entire world, not only one nation. That's why the Rotary World Peace Fellowship sets the example and standards for a new social contract between rich and poor all over the world and shows what can be achieved through the common sharing of resources and capabilities.

Gary Parrish, of the Rotary Club of Little Rock, Arkansas, USA, presented a Health, Hunger and Humanity Grant project carried out by his club and the Rotary Club of Cluj-Napoca, Romania. With a 3-H grant from The Rotary Foundation, the clubs helped establish more than 200 income-generating small farms in several Romanian villages. In turn, the farmers meet the needs of children living in orphanages, special schools and hospitals by donating a

percentage of their products to these institutions.

In my speech at the International Assembly, I reaffirmed that the Foundation is experiencing the best moment in its history. It is credible, solid, strong and well-known, all thanks to the tireless work of Rotarians. Today, one word clearly defines our Foundation: credibility.

Luis Vicente Gay

Our Foundation is credible and strong, and it offers a valuable service to humanity. This credibility is the reason governments, non-governmental organizations, international agencies, and individuals choose our Rotary Foundation over other entities when it comes to making contributions. Credibility is what has allowed us to have more than one million Paul Harris Fellows. Soon Paul Harris Fellows will outnumber Rotarians!

But what is the real reason behind these achievements? It's simple: donors have become more selective. They donate only to trustworthy entities, because they are tired of their contributions not reaching their intended destination, tired of having their funds mishandled by bureaucrats and miserly, dishonest, or corrupt individuals.

Conversely, our Rotary Foundation is reliable. It offers internationality, long-term projects, far-reaching programs, excellent administration, information, honesty and, most of all, *credibility*.

In 2006-07, the worldwide fundraising goal for our Annual Programs Fund is US\$120 million, the most ambitious in our history. Contributions to the fund have increased sharply, a sure sign of enthusiastic support for our Foundation. Everything indicates that, if we continue this trend, we will reach our goal.

Management in Consciousness

So far spirituality has been accepted as something divorced from material life - one can either have God or the World. This concept calls for rejection of life. The need of the hour is not rejection but perfection of life through the work that we do. Spirituality is an applied science which can be used as an instrument for perfecting life. Spiritual life, therefore, is not an end but a means for achieving a higher objective. To know how to do it, we are having Shri Pradeep Narang, Chairman, Sri Aurobindo Society, Pondicherry, as Guest Speaker in our club meeting on Mar. 23, 2007 at 6.30 pm. at Hotel President.

District Medical Project at Orissa

PP Dr. Vanita Gupta and her daughter Dr. Arpeta Gupta were part of RI District 3080 Medicare mission to Mayurbhanj, Orissa. They served in the backward tribal area of Baripada. The 7- working day camp from 5th to 15th March, 2007 was very successful. Dr. Vanita examined & treated 1431 patients with skin diseases and leprosy. Dr. Arpeta assisted the surgeons in the plastic surgery, orthopaedic & gynecology cases.

Our club has contributed Rs. 10000/- for this project.

- PP Dr. Vanita Gupta

Our Eye Camp Project was successfully completed on March 12, 2007 after 32 surgeries for cataract for poor patients at General Hospital, Sector 16, Chandigarh. This was a joint project of Rotary Club of Chandigarh Midtown, Rotary Club of Wollaton Park & Rotary Club of Castle Donnington, U.K.
