## NIGHT SCHOOL, SARANGPUR

The meeting of our Club on September 28 was a special meeting. We have the on-going project of running the Night School in Village Sarangpur. The meeting was held at Govt. School, Sarangpur. Number of children who had done well were recognized and were awarded. Besides this, the children were given books, note-books and various other utility items. The children are 35 in number. On this occasion, the Principal as also the Teacher In-charge were with us. Their services and contributions towards the success

of this project were appreciated. It would be desirable to share the brief history and growth of this project of our Club with Rotary family.

The night school at Sarangpur was started in 2000-01 by the then club president Dr. Vanita Gupta. I was involved with this project right from the onset.

Only 10-12 students joined the school initially. So Surjit Singh and I decided to talk to the brick kiln workers and managed to motivate them to send their children to this school.

*You have bright future*

To create more interest amongst the children, Shashi Khullar and I started taking refreshments for the children, which helped in attracting more children to the school. I also decided to include some crafts

activities for children and taught them how to make bags, envelopes, cards etc. out of newspaper. This helped in creating more interest amongst the children.

Annes are a big support

Bobby Telling : Focus on children

Rotarians keep it up

Shaju - always attentive
