Joys of Being a Rotarian

Chief Guest in our club meeting on October 30, 2009, PDG J.P.S. Sibia was introduced by PDG Shaju Peter. Rtn. Sibia was the District Governor in 1996-97 and has the distinction of being one the youngest District Governor. Shaju said, "There would be very few Rotarians in the world who have become Governors at his age. Perhaps he is the youngest in India!" He graduated in Science and did a diploma in business administration. He is a business man turned Professor of management. He is a visiting Professor to Panjab University.

In his talk, PDG Sibia said it is the joy of being a Rotarian that keeps you going. He said, "We should understand, what the words 'Joy' and 'Rotarian' really means." He referred to quotations by Mother Teresa. "Even the rich are hungry for love, for being cared for, for being wanted, for having someone to call their own." "Being unwanted, unloved, uncared for, forgotten by everybody, I think that is a much greater hunger, a much greater poverty than the person who has nothing to eat." "God doesn't require us to succeed; he only requires that you try." "Joy is a net of love by which you can catch souls." PDG Sibia said, "The principle of Rotary is that acquaintance is an opportunity to serve. This is sense of belonging, with which the real joy comes if you are a Rotarian."

PDG Sibia then referred to an incident of Munjal, the manufacturer of bicycles, who went to UK and USA to find export opportunities for expansion but did not get success until he met a person, sitting next to him in the plane, with whom the deal clicked, not only because this person was the biggest importer of

bicycles but because he too was a Rotarian. The rest is history. PDG Sibia said, "This is the Joy of being a Rotarian."

In Rotary we come to serve. For this PDG Sibia recited a quotation by Lord Byron. "To have joy one must share it. Happiness was born a twin." He also referred to a quotation by Rabindranath Tagore. "I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold, service was joy." PDG Sibia added, "In Rotary we get friendship, acquaintance, an opportunity to serve and we share Rotary. The more Rotary meetings and programmes you attend, the more you get involved. All this together are the Joys of being a Rotarian."

PDG Sibia said, "We may not be perfect. No one can be perfect. Do not try to be the best or a perfect Rotarian. We should try our best to succeed." Here he brought in the quotations by Doug Larson. "The only nice thing about being imperfect is the joy it brings to others." "A true friend is one who overlooks your failures and tolerates your success."

Vote of thanks was proposed by President Gurdip. He said PDG Sibia spoke from his heart. He thanked

him for enlightening us on Joys of being a Rotarian. Meeting was followed by fellowship, jointly hosted by PP Rtn. Sandeep Verma.
