😊 New Year Joke! 😊

There's a man sitting at a bar just looking at his drink. He stays like that for half an hour. Then, a big man steps next to him, takes the drink from the guy, and just drinks it all down.

The poor man starts crying. The big man says, "Come on, I was just joking. Here, I'll buy you another drink. I just can't stand seeing a man crying."

"No, it's not that. This day is the worst of my life. After New Year celebrations, I fell asleep, could not

get up in time, got late to my office. My boss, in an outrage, fires me. When I leave the building to my car, I found out it was stolen. The police say they can do nothing. I get a cab to return home and when I leave it, I remember I left my wallet and credit cards there. The cab driver just drives away. I go home and when I get there, my wife kicks me out for losing the job. I leave home and come to this bar. And when I was thinking about putting an end to my life, you show up and drink my poison."

Forecast 2010

Political Parties: The Congress will emerge as strong party in 2010 in centre as well as in other states with its new younger generation. While BJP with its new chief may not restore its past glory. Congress party may lose one of its bigwigs during October 2010 and

January 2011. BSP will have a better deal. BJP -Akali duo will have status quo.

President Ms. Pratibha Patil will go strong but must not take risks in air travels. Rahul Gandhi should also be careful in travels this year. Atal Bihari

should be cautious of health due to over travels. Bal Thakarey must have low profile as friends will turn foes. Mamta and Laloo will have their daggers drawn throughout the year on minor issues.

Film Industry: Amitabh Bacchan is sure to win International award in 2010. Those having names starting with S in the industry will see a very favourable 2010. Salman, Shahrukh, Saif, and Shahid will do well in their career. No star is favourable for Salman's wedding. Abhishek will perform well. Kareena will shine. Aishvarya's magic shall retard.
