Calculations on Numerology

In our club meeting on September 21, 2012 we had Prof. Dr. Raj Bahadur Director-Principal, Government Medical College and Hospital, Sector 32, Chandigarh as our Chief Guest. To speak on 'Calculations on Numerology', Mr. N.D. Kheterpal, World Famous Numerologist, was the Guest Speaker, who was introduced by Rtn. Maj. Gen. Hardev Singh. Though Mr. Kheterpal retired as General Manager from Haryana Tourism in 2005, his vast experience in Numerology is based on 39 years of research on this subject.

Mr. Kheterpal is live on Siti Channel Chandigarh at 9 am every Friday and on Panchkula Cable Network every Sunday from 10 am to 11 am. He can also be heard live on Big FM 92.7 Chandigarh from 11 am to 1 pm on every Saturday. He also writes for Times of India (Chandigarh). To meet him personally call at 9915651417 for appointment. Mr. Kheterpal, a very knowledgeable Speaker on Numerology, desires to offer his services to Rotary Clubs in the tricity, or any other city!

N.D. Kheterpal

Mr. Kheterpal said, "Our whole life is related to numbers, based on our name and date of birth." He described Numerology in a very logical manner. He said every person is grouped into 9 classes, as per their birth date.

Even our car, telephone and house are related to numbers, and we

need to understand this concept of numbers. He said, "Numerology depends on these fedic numbers." He showed the calculations on a white board. He said people are influenced and governed by planets, which bear the number of their birth dates. Each of the 9 numbers (1 to 9) is represented by a planet, which he explained in details, as indicated below;

- All those born on 1, 10, 19 or 28 of any month, are classified as number 1, which pertains to Sun (Suraj).
- All those born on 2, 11, 20 or 29 of any month, are classified as number 2, which pertains to Moon (Chandrama).
- Those born on 3, 12, 21 or 30 of any month are classified as number 3 which pertains to Jupiter (Brihaspati).
- All those born on 4, 13, 22 or 31 of any month are classified as number 4 which pertains to Uranus (Rahu).
- All those born on 5, 14, or 23 of any month are classified as number 5 pertaining to Mercury (Budh).
- All those born on 6, 15, or 24 of any month are classified as number 6 pertaining to Venus (Shukra).

- All those born on 7, 16, or 25 of any month are classified as number 7 pertaining to Neptune (Ketu).
- All those born on 8, 17, or 26 of any month are classified as number 8 pertaining to Saturn (Shani).
- All those born on 9, 18, or 27 of any month are classified as number 9 pertaining to Mars (Mangal).

Based on Numerology, Mr. Kheterpal said, "Indira Gandhi, Abraham Lincoln and Winston Churchill, are even today remembered as great personalities." He explained the characteristics of the above numbers, which generated keen interest amongst the Rotarians and R'anns, and there was a very lively interaction between them and Mr. Kheterpal.

He also did numerological analysis of our club based on Club Number : 15228, which falls in number 9, and observed, "Your club is very sound and has strong quality members." Rotary District 3080 falls in number 2, for which Mr. Kheterpal concluded, "Your club has superb equation with the District."

For people who are unable to cope with their life, Numerology can prove vital. To those who wish to enhance their lives and further

their opportunities it is extremely useful. Numerology can help reach greater heights. It helps a person to stay on the right path and move towards the right direction.

As we all know, Prof. Dr. Raj Bahadur, a top most Orthopaedic Surgeon, the Director-Principal of GMCH-32, Chandigarh, has been associated with our club and Rotary District in number of projects, including our prestigious Aasra shelter in GMCH. He is also a PHF and Hony. Rotarian of our club. In his address, he appreciated the contributions of Rotarians to the society. He spoke high for the Rotary medical camps in other countries.

Regarding the talk on Numerology, Dr. Raj Bahadur said, "It was my desire to introduce N.D. Kheterpal. I feel happy that he has come to our club, and the treasure he possesses can be used for our benefit." Dr. Raj Bahadur shared his experience of Mr. Kheterpal's predictions, which in his case came out to be true! He said, "Numerology is mathematics and it is Pythagoras who introduced this. Modern scientist feels that Numerology is a pseudo science. I personally believe that no science is complete and it has to explore, and Numerology too needs to be explored further." Numerology has come from the western countries. If it gives us solace or peace

Clothes Distributed

Rotarians and Rotractors distribute clothes to needy persons

Rotary Club Chandigarh Midtown joined Rotract Club Chandigarh Midtown on 15th September 2012 in Mansa Devi Complex Mandir to distribute about 3000 old clothes, collected from Rotarians of Chandigarh Midtown, to needy and poor men, women and children in vicinity of area.

Secretary A.K. Puri, R'Ann Sudha Puri, Rtn. Vinod Jawa and President Rtr. Sushant Gupta, along with his team of Rotractors participated in this event.

(Report by Secretary Rtn. A.K. Puri)

President Ritu Singal's Facet of Peace - Step 9 : Peace can only be acquired with Wisdom

The peace can only be acquired with wisdom not with emotionalism, for example, a washer man was going with his donkey and donkey fell into the deep pit. The donkey was in a lot of pain and started howling. Washer man could not bear his cry and to relieve him from his suffering he started filling the pit with soil. As

first batch of soil was thrown in the pit, the donkey climbed up. As the pit became full, the donkey came out. If the donkey would have grown emotional and misunderstood his owner, he would have only indulged in self pity and doubted his owner then it would have led to loosing wisdom. Thereby he would have died.

PGI sends Pallav home 'for their own safety'!

As mentioned in the previous bulletin PP Pallav Mukherjee was admitted in PGI on 14.09.2012 and 3 days later he had undergone angioplasty. On 19.09.2012 Pallav was discharged from PGI, but before that, the Editor got SMS from him, "Just as I was getting

cozy and comfy in the pvt. room, the PGI guys have relieved me, and are sending me home for their own safety, I presume..... Pallav." The factual position is the PGI doctors could not relieve Pallav of his sense of humour!

Acknowledged with Thanks!
