Mother's Day Celebrations - A talk on Women and Child Health

On May 09, 2014 Chief Guest Dr. Mrs. Nirupa Marwaha, Vice Principal, Govt. Home Science College, Chandigarh was introduced by Vice President Rtn. Amarjit Singh. She has done M.Sc., M.Ed. and Ph.D. Dr. Nirupa is an Associate Professor, Vice Principal and Head of Department of Foods and Nutrition at Govt. Home Science College, Chandigarh. She has over 30 years of

teaching and research experience in the field of Foods and Nutrition. She is Expert Consultant with Foods and Nutrition Board, Govt. of India, Social Welfare Department, Chandigarh Administration and honorary Nutrition Consultant at the Chandigarh Lawn Tennis Association. She is a resource person for varied seminars and workshops, and she has already been to our club couple of times earlier. On July 12, 2013 she gave an interesting talk on 'Nutrition and Health'.

President Rtn. Deepak Sood welcomed Dr. Nirupa Marwaha and Rotarians from Rotary Club of Mohali; PDG Rtn. Manpreet Singh Gandihok, PP Rtn. Khushjiv Singh Sethi, Rtn. Harinder Singh and Rtn. Gurcharan Singh. RC Mohali came up with a unique way of fund raising program for their projects by selling lunch coupons for Rs. 1000/- for fellowship on Sunday, 11th May 2014 at Pashtoon (Khyber) Restaurant in Sector 35, Chandigarh.

Talking about mother, Deepak said, "I would like to convey my regards to all the mothers and grandmothers." He quoted Howard Johnson who described Mother as;

"M" is for the million things she gave me,
"O" means only that she's growing old,
"T" is for the tears she shed to save me,
"H" is for her heart of purest gold;
"E" is for her eyes, with love-light shining,
"R" means right, and right she'll always be,
Put them all together, they spell "MOTHER,"
A word that means the world to me.

In her address Dr. Nirupa said, "Though my talk focuses on women but I want to involve the men to make them realize how valuable their second half is who just takes care of everything that happens in the world." She said she believes in the famous Punjabi saying, "mavan thandiyan chavan". She advised the men, "Do not to take your wives for granted because looking after the house and seeing that everything is right, is her job. Men should not take the credit for all that goes fine, and should not blame their wife if something goes wrong!" Men should appreciate their wives for what they are doing.

Nirupa made an observation that the wife should not be known as housewife as she never gets married to the house but to her husband. She should be known as a homemaker as she is the one who makes the home. The wife is the mother who is also the shock absorber as she absorbs all the shocks from her children and her husband and has to solve all the problems including of her in-laws. Her own problem always takes the back seat. If the mother is treated roughly she is likely to break down. Therefore it necessary

that they deserve some kind of attention.

Nirupa stated, "It should be realized that wives or mothers also have their sensitivities and they too need attention or may be some pampering. For this reason Mother's day is celebrated so that the children feel the need of caring for their mother, and the husband too is reminded of the important role she plays in not only looking

after the children but also ensures the comforts for her husband." She also discussed the healthy balanced diet that is required not only for the mother, but the whole family.

On behalf of our club Rtn. Ashok Kumar Sharma thanked Dr. Nirupa Marwaha for her very meaningful talk on the occasion of Mother's day, and also for giving useful tips on nutrition and diet.

Roopnagar as Guest Speaker in their weekly meeting on Friday, April 25, 2014. The club wanted him to speak on Rain water Harvesting, possibly because

both the clubs, Roopnagar as well as Chandigarh Midtown had implemented projects in rainwater harvesting in their respective communities.

In a 20-min. power point presentation Shaju gave the members a broad idea of the subject. "Farmers of Baluchistan and Afghanistan knew how to harvest rain water three centuries before Christ," said Shaju in his opening remarks. He drew the attention of the audience to the fact that the water table in the central districts of Punjab have gone down by 20 meters in the last 10 years and impressed on the necessity of recharging the aquifers with rainwater.

Introducing PDG Shaju, PP Rtn. Prof. B.S. Satyal, who served as the club as President during Shaju's term as District Governor said, "Shaju and Lovy came to Chandigarh 35 years ago as total strangers. But today they are friends to over 3500 Rotary families in our region". PP B.L. Ramsisaria who served as the GGR for forming the new club in Roopnagar in 1980, had accompanied him to the club.
